Comment:

Its been a long journey that started with completion of masters (F1) visa and today receiving green card (GC). I have been with Rajiv ji and his team since the beginning of my immigration journey (F1(OPT) -> H1 -> H1 Ext.-> Perm -> I140 -> I765 -> I485).

As said by everyone else here in the guestbook i also concur with all the things.
Firstly, they know what they are doing and are best at it. They have a solid knowledge about all the immigration rules, jargon, what can cause potential problem in future and how to handle the complexities a case has.
Secondly, very professional, prompt replies and free consultations. One thing that i liked is that they all are very easy to reach including Rajiv ji itself and that helps a lot in calming down the immigration anxieties of clients.
Best wishes to you and your team.
