Comment:

Our GC process fell apart when the company was closed which put us out of status since my husband and I were on EAD and Rajiv and his team helped us in getting our H1-B and H-4 visas. We had made some mistakes in the filing of my H1-B and so was denied and was at a risk of having to go back to India since I was out of status but it was a difficult option since I was pregnant so with the help of Rajiv's team I was able to get my H4 with an I94 and did not have to travel back to India. I thank Anna, Judi, Jagbir and everyone else who worked on our case.
