Hi everyone, I just got my passport stamped today and I am so happy, that's why I come here to share with you guys.

I had my interview on Feb 8,16

Feb 10 afternoon I saw my status of my case changed to approval (so happy) they said that they gonna send me a notice letter

But I have a trip on Feb 16. And I am sure there is no way it can come before that.

So I keep go to infopass web site and book appoinment. However, only Feb 24 is available(super nervous)

I keep try to come again about 4h30pm-5h30pm (this time system updated) And SUPER lucky . Someone had canceled their appoinment so only 1 slot on Feb 11 is available and I got that one.

Then I brought

-Passport

-Flight ticket+ receipt

-EAD

-Appoinment confirmation of infopass

-Picture of the uscis web shows that my case is approved (because I dont have notice letter or ebeb email confirm)

Anyway I got my passport stamped only 10'
