**Comment:**

We had reached out to Rajiv S Khanna's law offices on a recommendation from a friend to help us with filing a green card for our parents. From the initial conversation till after the GC approval, their offices have been extremely informative, responsive and professional. They went out of their way in making us comfortable, patiently responded to all our queries and guided us through the entire process. We are happy to say that the GC card was approved in the first go with no issues and thanks largely to the excellent up front preparation of the case/documentation. We would gladly recommend their services to anyone looking for immigration help. Heather Riddick, who helped us through the entire process was excellent to work with. Thanks again to Rajiv S Khanna and team for successfully guiding us through this process.
