# Visitor Visa Overview

## Visitor Visa Overview <sup>[1]</sup>

Submitted by admin on Feb 2nd 2009

The visitor visa is a type of nonimmigrant visa for persons desiring to enter the United States temporarily for business (B-1) or for pleasure, tourism or medical treatment (B-2). International travelers with visitor visas comprise a large portion of temporary visitor travel to the United States every year. For more information, please click on the "Visitor/Business" Visa main menu on the top.
