Occupational Therapist and EB2

Occupational Therapist and EB2 ^[1]

Submitted by Chief Editor on Oct 28th 2009

My wife has a Post Professional degree in OT from a reputed school. However, we are not sure if she qualifies for EB2 processing similar to Physical Therapists. I think she has to file like any other profession and doesnot get special consideration that PTs get. Can you please clarify?

ANSWER:

OT's have no special category unlike physical therapists. But EB-2 may be possible. Discuss with her lawyers.
