# Sponsor Green card

## Sponsor Green card <sup>[1]</sup>

Submitted by Chief Editor on Nov 4th 2009

I obtained my US citizenship status early in 2009. Now my parents came to visit me and staying with me. I have a plan of applying the green card for my parents and keep them with me until the green card is fully processed. Can you please advise me whether I need to file I-130 or I-485 ? They have the I-90 stamped until April 2010. Also in I-130 there is a question ( I think no 22) , asking the preference of visa process. Is it possible for me to ask our my preference?

### **ANSWER:**

We cannot offer assistance in filling up forms. But without commenting on your situation and generally speaking, when applying for parents who are in USA, a US citizen files an I-148 package and form I-130 together.
