## EB-2 with ChE MS + 2 yrs exp

### EB-2 with ChE MS + 2 yrs exp <sup>[1]</sup>

Submitted by Chief Editor on Oct 11th 2010

I graduated from a 4 yr US BSChE program and a 2yr MS ChE program and have been working on an H-1B for the same U.S. University as a Research Associate for 2 yrs. All my publications (2-3) are still pending and I am secondary on most of them. What requirements would the position I am promoted to need in order for me to qualify for the EB-2?

#### **ANSWER:**

You qualify for EB-2, of course, whether or not a promotion is required is entirely up to your lawyer and the employer to determine. Any position that requires an MS OR BS = 5 years experience (progressively responsible) qualifies for EB-2 filing.
