United States

Comment:

In spite of the fact that my case was closed mistakenly by backlog center, Rajiv Khanna's team were great in communicating with backlog center and was successful to reopen my case. Finally my labor got certified. My special thanks to Vijay and Mathew for working on my case and handling my frustration patiently, responding to me every time I had questions. Even when I had to consult Mr Rajiv Khanna, he was available to talk personally with no extra cost with his expert suggestions. I am really grateful to each and everyone at your office.

I honestly feel the fee we pay is nothing when you compare to the services we get from Rajiv Khanna's office.

I sincerely suggest you folks better spend little more money and be in safe and experienced hands like Rajiv Khanna. Its all worth while. Immigration is a long and complicated process and you need expert suggestions all the way till the end and I don't think anyone will handle better than this folks.

If you don't believe me, Check yourself, you even get a free phone consultation from Mr Rajiv Khanna where as others charge you big time per hour?.

Thanks again!
