Comment:

I had a conference call with Mr. Khanna. I from India and have done my PhD. I was interested in filing for Green card through EB1 or NIW category. However, after looking at my CV he advised me that my case is not strong enough for either of the two. He said that whether I get the green card or not the lawyer will get paid, so I should be careful in selecting a category to file my green card under. This honesty really impressed me about him. I will take more legal advise before reaching a conclusion but at least Mr. Khanna was honest enough to give me his frank opinion and not take me for a ride as I have read about other attorneys / law firms. Thank you Mr. Khanna for your time !
