Am I eligible for EB-2 or is it too early for green card

Am I eligible for EB-2 or is it too early for green card ^[1]

Submitted by Chief Editor on Jul 18th 2011

I am with a major US university as professor for only 9 months (H1B). Physician+PhD, 16 years professional experience in Europe, 20 papers, 1 book. Am I eligible for EB2 or is it too early to apply for EB green card?

ANSWER:

You are certainly eligible for EB2 and you must apply as soon as possible. Professorial jobs can reuse existing advertisements if they file *PERM* within 18 months of when the job was offered to them. You should also have your resume assessed for a simultaneous EB1 application.
