Comment:

I must say that having Mr. Khanna as my attorney was a great experience. He filed my EB1 I-140 and the case got approved without an RFE. Before filing I had several conversations with Mr. Khanna. He was always available to talk and would give advice, backing it up with rules and regulations. He knows the requirements well and is great with clients?making sure your concerns are addressed at any point in the process and that the process goes as it should. I will recommend him whole heartedly.
