Notice of Intent to Deny and R-1 petition

Notice of Intent to Deny and R-1 petition ^[1]

Submitted by Chief Editor on Dec 17th 2012

If USCIS issues a Notice of Intent to Deny after the onsite inspection, is there any way that an R-1 petition can still be approved?

ANSWER:

If an onsite inspection yields derogatory information not known to the petitioner, USCIS will issue a Notice of Intent to Deny the petition. The petitioner may submit additional documentation to rebut the derogatory evidence. In addition, if the petition is denied, the denial may be appealed to the USCIS Administrative Appeals Office.

Unless the context shows otherwise, all answers here were provided by Rajiv ^[2] and were compiled and reported by our editorial team from comments and blog on immigration.com ^[3]
