# Do I Qualify for EB-1

## Do I Qualify for EB-1 <sup>[1]</sup>

Submitted by Chief Editor on May 22nd 2014

I got my Ph.D. (biochemistry and molecular biology) and I have 3+ years of post-doctoral experience. I have 4 publications (3 lead author) in human pathogenic research. Could you please comment on my eligibility for EB-1 or NIW.

### **ANSWER:**

My best GUESS is probably not. While NIW/EB-1 should not be a numbers game: how many publications, how many citations..., but it often ends up like that. Given that if you had one publication in a premier journal like Science, that would count a lot more than 5 or 10 publications in a lower impact factor journal.
