- a. *All immigrant visa (IV) applicants age 14 and above are required to submit biometric fingerprints electronically through immigrant visas overseas (IVO). There is no upper age limit for IV applicants. (See Appendix L, 100 for detailed procedures.)*
- b. In countries where there is no Department of Defense (DOD) or Department of Homeland Security (DHS) presence, consular officers should provide fingerprint services for residents in their district applying for expeditious naturalization or adoption. (See 9 FAM Appendix N, 101 a.)
- c. The post shall use Form FD-258, Applicant Fingerprint Card (with self-addressed envelopes).

9 FAM 42.67 N6.2 Proper Fingerprinting

(CT:VISA-1073; 10-16-2008)

The consular officer in charge of visa operations at each post shall instruct personnel taking fingerprints to follow closely the instructions on the reverse of the fingerprint chart and to familiarize themselves thoroughly with the correct fingerprinting techniques described by the *Federal Bureau of Investigation (FBI)*. (See 9 FAM 42.67 Exhibit I - FBI Web site, "Taking Legible Fingerprints".) The consular officer shall also personally check the fingerprint cards from time to time to ensure that such techniques are applied.
